

Half Marathon Training

12-Week Intermediate Program

Program Details

Distance:	21.1 kilometers (13.1 miles)
Duration:	12 weeks
Level:	Intermediate
Training Days:	3-4 days per week

Program Overview

This 12-week half marathon training plan is based on Hal Higdon's proven Novice 1 program. It is designed for runners who can already run 3 miles comfortably and want to prepare for their first half marathon.

Prerequisites

- Ability to run 3 miles continuously
- Running 3-4 times per week for at least 4-6 weeks
- No major injuries or health concerns
- Comfortable running at a conversational pace

			CROSS				

Workout Definitions

Run: Run at a comfortable, conversational pace. Your target heart rate should be 65-75% of your maximum.

Cross Training: Swimming, cycling, elliptical, or other low-impact cardio.

Long Run: The Sunday long runs are the most important workouts. Run at a comfortable pace.

Rest: Complete rest from running. Light walking and stretching are fine.

Pacing Guidelines

- Easy runs: Conversational pace
- Long runs: Slightly slower than easy pace
- Race pace: Faster than training pace, but sustainable
- Tune-up races: Run at your current fitness level
